

The BraunAbility

Chrysler Voyager Rear-Entry

The BraunAbility ADA compliant Commercial Rear-Entry on the Chrysler Voyager is a passenger-friendly as well as a cost-efficient mobility solution for many commercial transportation providers.

- Seats up to 7 passengers*, configurations up to 2 wheelchair positions
- Radius floor provides easier wheelchair transition to middle position
- New OEM Tier 1 ramp latching system minimizing movement and noise
- WeatherTech® mats provide enhanced floor protection and sound benefits

The Voyager Commercial Rear-Entry has multiple seating options available to accommodate passengers and wheelchair users. Depending on the options you select, you'll have the flexibility in seating and wheelchair configurations to meet all your customers' needs.

Lowered Floor

Choose the configuration that best meets your needs.

Flexible Seating

Multiple options are available to accommodate ambulatory passengers and wheelchair users
